Roger Stanwick

special guest speaker

Roger Stanwick is a post abortive man who deeply regrets his involvement nearly 40 years ago. He believes abortion is also a man's issue because they too suffer the loss, guilt, regret and sorrow that follows. After 25 years of denial, Roger now speaks at churches and prolife events. Roger was the past President of Cross Roads Ministries, a board member of New Life Pregnancy Center and President of Gaylord Right to Life. Through his testimony, he hopes to be an example to those who have been involved in an abortion by helping to find the forgiveness and peace they are seeking. Come hear his journey as he encourages men to be a voice in this discussion and promote the importance of fatherhood.
